Died - 18-91

Capt. E. L. Carter,
Woolwich,
Me.

April 2nd got the spars on board just at night
3rd won clear wind S.W. getting spars ready
9th spars all abft. 1.30.48. wind light to mod
wind moderates at night. nearly calm.
11th wind hauling S from ESE raining both day
on board (4/12.50) at 4 pilot and try lift
SS2 to S showy 30.07 finally sprung up
Encls with cloudy W fresh S. lightning
12 About 1 am. Entered the Gulf Stream. water
thunder hauling wind S.W. moderating and
Barom started to rise a little
12 32.43 74-10-N 1 30.10 clear

Lower and Sea direct 'Remarks.
in tow anchored draft-25.2. 24.10 3321 ton cargo
passed the Hook at-1.30 P.M.
No. 10 miles log 65.
E & N 10 R Eve moderating 1 120
moderately and variable all night. rain
SW 8 R C ^{N.E.} W. finer clearing 2
SS & SE rough heavy sea 3 120
R.C. more mod I m increased to head
the top gallant backstay at 9 fore royal of
gallant mast at the same narrow royal of
of a mess set of topmast backstay topmast
spars wind heavy E & moderating with an 300
away wreck steering NW 1/2 W.
R R SE
R Eve made less r in than ought.
all night. fog & light. N & E
H standing back for N.Y. at Hampton Roads
standing for Hampton roads. at 6.30 took pilot.
at 9.30 I m anchored at Hampton Roads.
to be made by Wm April 1st & sent supply of
them in Str Meteor. came down Wm night.
fore spy sail mast broken. we reefed wind SE
to go aloft.
East clear fine warm no chance to go to sea.
at sunrise
"Hercules" of Balto #50. to tow to sea pilot. came
loose & away N & W. 6 miles wind variable from
SE & fresh with SE sea bank E & SE to SW.
W. r. & r.
very phosphorescent. sharp lightning NW heavy
hauling at 6. NW light. rough sea fine S
no steerage way sea fine S.S. 100
